EXPERIENCE

Roblox / Design Intern

May 22 – Aug 22

Redesigned the entire mobile flow for Talent Hub, a job board for creators on Roblox used by over 200k users. Worked cross-functionally with product and engineering to define metrics, constraints, and timeline. Slated for release end of Q3.

BWxD Conference / Designer

Feb 22 – Present

Developed the brand identity and design system across the web, print materials, and merch for annual Brown RISD design conference.

Opal / Product Designer

Jun 21 – Feb 22

Created robust design system for startup. Collaborated with 4 designers on the web design for the MVP launch of profile page and wallet functionality through Figma and conducted user testing.

Liz Lavertu / Graphic Design Intern

May 20 – Nov 20

Logo and rebranding for political campaign for State Assembly in California. The campaign had one of the highest votes for the party candidate in recent history.

UCSD / Research Intern

June 19 – May 21

Designed and led experiments that tested infill designs for use in soft robotics applications. Wrote and published a peer-reviewed paper in the American Chemical Society.

LEADERSHIP

Hack@Brown / Design Lead

Aug 21 – Present

Directed the visual identity of Brown's official hackathon and created 3D designs for the website, which reached over 1000+ users and facilitated 300+ signups.

FSAB / Design Director

Aug 20 – Present

Led the creative direction of a club with 200+ members. Created the first dedicated branch of 10 designers and organized applications, onboarding, and designer-client pipelines.

EDUCATION

Brown University May 2024

Visual Arts & Computer Science

Relevant coursework: UI/UX, Computer Animation, Designing Humanity Centered Technology, Studio Art, Software Engineering, Computer Systems, Data Science

SKILLS

Design

User Interviews, Personas, Competitive Analysis, A/B Testing, Metrics

Design Sprints, Wireframing, Prototyping, Branding, Visual Design, 3D Design/Animation

Software

Figma, Adobe Suite (Photoshop, Illustrator, Premiere Pro, After Effects), Cinema 4D, Blender, Unity/Godot

Code

Java, Javascript, React, C, Racket, SQL, Git, Python

Language

English (Native), Chinese (Fluent)
